“Help Build It!”

Dear Friends of Habitat:

In these tough economic times, Scioto County Habitat is seeing more and more families in need and hearing even more clearly our call to serve.

In this call, our goal is to get 1,000 people to commit to donating \$25.00 for each home build. For some affiliates, that could be a huge financial commitment, but in Scioto County, we build an average of 1 to 2 houses per year, and in turn, help break the cycle of poverty for one to two families in our community in need.

Please “Help Build It!” and help us reach our goal by committing to help end poverty housing in Scioto County. Your donation is tax deductible.
